

# 2009 Renton Rotary Scholarship Award Winners

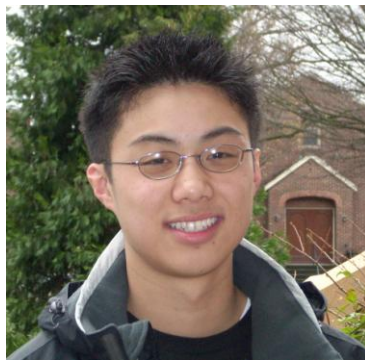

**Renton High School  
Frank Raphael Scholarship Winner**

**Vanessa O'Francia**

Vanessa plans to attend the University of Washington next fall. She plans to be a child psychologist, a teacher or a counselor. Her life experiences will provide her with extraordinary empathy for other young people struggling with challenges. She is a determined and highly self-motivated student.

**Lindbergh High School Winner  
Shelby Reiter**

Shelby earned a perfect 4.0 grade point average over her high school career. She is a determined student with her goals firmly in mind. Her first choice of college is Stanford, and she plans to major in engineering with a specialization in prosthetics and orthotics. Eventually she would be working on the development of artificial limbs and braces. She would enjoy working with patients to meet these important needs.

**Renton High School Winner  
Jerry Du**

Jerry is a 3.81 gpa student planning to major in business. His present plans are to attend the University of Washington. With another major in computer sciences, he will be well equipped to start with a career in Information Systems, with the long term goal of owning his own business.

**Hazen High School Winner  
Amanda Lane**

Amanda Lane knows what she wants. She will be attending the #1 Nursing school in the nation at the University of Washington. Volunteering at Children's Hospital inspired her goal of being a nurse. Her dedication shows in her 3.89 grade point average and in her enthusiasm for helping children.
