## **Renton Rotary – “YOUTH OF THE MONTH”**

The Rotary Club of Renton has established a “Youth of the Month” program to honor outstanding students from the three high schools in the Renton School District. It is our belief that this program is beneficial to our Rotary Club, our School district and community, as well as the selected students.

It is beneficial to our rotary club because it allows our members to have meaningful interaction with outstanding students from our high schools.

Our school district and community benefit from this program because it recognizes and positively reinforces the achievements of our most outstanding students.

Finally, the students that are selected as a Renton Rotary “Youth of the Month” benefit from the recognition of their accomplishments, and the opportunity to meet and interact with the community and business leaders who are members of our Rotary club.

Applicants for selection as the Renton Rotary “Youth of the Month” must complete this application and return it to their school’s designated office by the first of the month to be eligible for selection as the “Youth of the Month” for the following month.

Two applicants from each high school are selected each month to be interviewed by the “Youth of the Month” Committee. The interview is held at 12:00 noon at one of the three high schools on a rotating basis. Information regarding the location of the interview can be obtained from your school’s designated office. The “Youth of the Month” Committee makes the final selection of the Renton Rotary “Youth of the Month”.

Students selected as the “Youth of the Month” are expected to attend the weekly luncheon meetings of the Renton Rotary Club during the month. The student’s parents are strongly encouraged to attend the first weekly luncheon during the month when the student and his/her parents are first introduced to the club and receive their recognition.

The club meets each Thursday from 12:00 noon to 1:30 p.m. at Maplewood Golf Course. There is no charge to the students or their parents for the luncheon.

We encourage all students to apply for this distinguished honor. We look forward to meeting you and giving consideration to your application to be recognized as the Renton Rotary “Youth of the Month”.
