**Welcome Rich Perteet to our Membership**

Today we induct into membership Rich Perteet who has been sponsored by Greg Taylor. Rich is a Civil Engineer and has been a consulting civil engineer in private practice throughout his career. In that capacity he has occasionally worked as a consultant for the City of Renton. Now he has come out of retirement to take a position as an employee of the City and is the Deputy Public Works Administrator.

Rich is no stranger to Rotary. From 1986 to 2004 he was a member of the Everett Rotary Club, where he served at various times on the Vocational Service, Community Service, International Service and Scholarship Committees. He is a Paul Harris Fellow. He is very impressed with our monthly program that honors teachers. Rich and his wife, Cheryl, live in Renton.

*Rich is the 13th new member that has been admitted to membership during the 2009-2010 administrative year. Thanks to everyone who has sponsored a new member this year.*
